M6*40mm Bolt 1 PC	M6mm Washer 2 PCS	M6mm Nut 1 PC

Step 1. Lay left seat panel (part A) down on a soft flat surface, such as carpet, as show below. Attach right seat panel (part B) to left seat panel (part A) using bolts (part F), nuts (part H) washers (part G), wrench (part J) and allen key (part I).

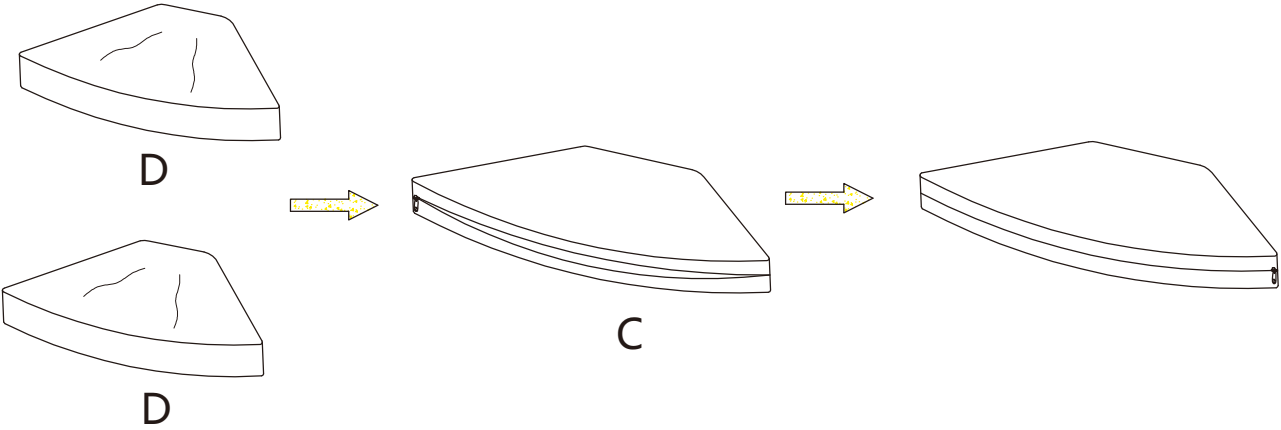

NOTE: Please fully tighten all bolts at this time.

Step 2. Use plastic clips (part K) to secure additional units together as shown.

Step 3. Insert Inner of Seat Cushion (part D) into Cover of Seat Cushion (part C).

Step 4. Place Seat Cushion and Back Cushion on the sofa.
